To Whom It May Concern:

It is an honor to write this letter of recommendation for Kevin Collins. Over the course of the past eight years, I have had the pleasure of working with Kevin here at North Road Elementary.

Kevin's dedication to meet the needs of his students has been unrelenting in the time that I have worked with him. He has utilized my role as the school counselor to gain insight to the underlining issues that his students are facing both at school and at home. As concerns arise, he has been extremely flexible in providing the interventions and assistance his students require.

The thing I appreciate most about Kevin is his ability to connect with his students. He sincerely cares about them and they know it. He creates a caring and supportive learning community within his class. As a result of his encouragement, students feel comfortable taking risks and challenging themselves.

In closing, I highly recommend Kevin Collins for employment. He has been a blessing to the staff and students at North Road Elementary. Please feel free to contact me if you have any questions. I can be reached by phone at (810) 591-1507 or by email at hthomas@fenton.k12.mi.us.

Sincerely,

Heather Thomas
School Counselor
