To Whom it May Concern:

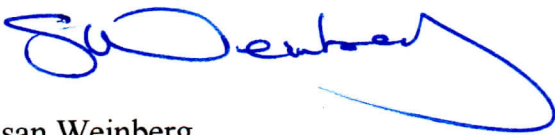

It is with pleasure that I can recommend Kevin Collins for a teaching position at your school. I have known Kevin since the fall of 2000 when my eldest son was lucky enough to have him as his first grade teacher. My other son had Kevin the following year.

Kevin is an exceptional teacher. He is one of the most capable and creative teachers my children have had. He is also an outstanding role model.

He has a calm, outgoing, very pleasant manner and his quiet, sensitive confidence enables students to feel comfortable and secure. I will always appreciate his thoughtfulness towards my eldest son who was shy, pensive child. Both my boys thrived under Kevin's guidance and helped hook them on learning. And to this day, he still has a vested interest in their welfare.

Kevin is a highly motivated teacher who will make a real difference in the lives of all young people he comes in contact with in his teaching career. Any school that hires him will gain an excellent and proven teacher.

Sincerely yours,

Susan Weinberg
