To Whom It May Concern:

It is with pleasure that I write this letter of recommendation for Kevin Collins. I have known Kevin for the past five years as a fellow educator.

Kevin is a reliable and knowledgeable teacher with excellent classroom management skills. Kevin's class is organized and focused on academic expectations, which he holds high. His room is a comfortable place for his students because Kevin somehow balances academics with fun. He works to build relationships with his students and you frequently find them going to him with their problems or to simply spend time with him at lunch as a classroom helper. Kevin has the ability to break things down into simpler concepts for his students which allows them to be successful. He also has an ability to work with parents in a productive, trusting way. We often hold team conferences and I am amazed with how he was able to have some difficult conversations with parents and help them to understand their child's strengths and weaknesses.

I highly recommend Kevin for any education positions you may have available. He will definitely be an asset to administrators, teachers, students, and parents. It has been a pleasure to have him as a colleague. Please feel free to contact me at (810) 591- 1518 if you have any questions.

Sincerely,

Suzanne Lee
